**HIGH HOLY DAYS FOOD DRIVE**

To be safe during the pandemic, our food drive will be operating a little differently during the High Holidays this year. We will be collecting monetary donations rather than the usual canned goods. Our congregation's collected funds will be distributed by the food pantry committee to feed the hungry right here in our community, and please know that every dollar helps tremendously, especially during these difficult times. Thank you in advance for your understanding and participation in this important effort.

If you would like to contribute, please make checks out to Temple Beth-El Food Pantry and send them to Temple Beth-El, 305 W. Madison Street, South Bend IN 46601, or call 574 234 4402 or use the DONATE button on the website to make a contribution using your credit card.

Thank you,

Laura Pflum & Lauren Nassau Temple Food Pantry Co-Chairs
